IL PRESIDENTE

Genoa, 10th September 2015

Presidents
of National Maritime Law Associations

Dear President,

Liability for Wrongful Arrest

I refer to my letters of 8 and 20 July 2015.

The time runs and we are about half way with the time (October 2015) within which the NMLAs are to provide their replies to the Questionnaire.

As you may have noted in the relevant section of "Work in Progress" in the CMI website, for the time being there are replies only from three National Associations.

The IWG would really be pleased to see a quick increase in the number of the replies and is really looking forward to having the Questionnaire answered by all NMLAs.

Cordially Yours

Giorgio Berlingieri
