

CMI NEWS LETTER

Vigilandum est semper; multae insidiae sunt bonis.

TWENTY YEAR INDEX (1997-2016)

Foreword

The News Letter, CMI's quarterly publication, was the brainchild of Kaj Pineus and first appeared in July 1977. In 1996 a Twenty Year Index (1976-1996) was prepared.

The Vice President of CMI and editor of both the CMI Yearbook and News Letter, Giorgio Berlingieri, has prepared this further index for the subsequent period 1997 to 2016.

The CMI owes an enormous debt of gratitude to Giorgio, and his father Francesco, for the continuous production of this valuable publication since 1977, which, apart from anything else, includes the Minutes of the Assembly and Executive Council meetings. In addition many people have over the last 20 years contributed articles and reports, as will be seen from this latest index. To all those contributors the CMI is extremely grateful.

It is noteworthy that periodically reports from National Associations were published in the last 20 years (see page 4 of the Index). I encourage National Maritime Law Associations to send in reports of their meetings or Conferences which might be of interest to other MLAs so that others can learn from their experiences.
