Dear All

### **Assembly Meeting: IMO Building, London, 9.45 AM on 9 November 2018**

Further to my letter dated 27 September 2018 (in which I forwarded the Agenda and attachments 1 to 7 in relation to that Agenda), I am now **forwarding** an amended version of that Agenda and some further attachments: 10, 11, 12, 13, 14, 15, 18, 20, 22, 23, 24, 26, 27, and 28.

The only additional item on the Agenda is in paragraph 6(h) where I had omitted the Charitable Trust Report. I have also re-numbered attachment 6 as attachment 9 (my report in relation to the Judicial Sale of Ships item on the Agenda). I have also re-numbered the Nominating Committee's report from attachment 7 to attachment 29. You therefore already have those attachments and I would be grateful if you would simply re-number them.

In relation to attachments 3A and 6 of the attached Agenda, these materials will not be available until the Assembly meeting as decisions will be made in relation to them on the previous day at the Executive Council meeting. Copies will be available at the Assembly meeting.

I am hopeful of receiving the following attachments over the next few days, in which case I will forward them to you:

- Attachment 4A - agenda item 6(h) - Charitable Trust;
- Attachment 7 - agenda item 10(a) - Acts of Piracy;
- Attachment 8 - agenda item 10(b) - Fair Treatment of Seafarers;
- Attachment 16 - agenda item 10(n) - Classification Societies;
- Attachment 17 - agenda item 10(p) - Unmanned Ships;
- Attachment 19 - agenda item 11(b) - General Average;
- Attachment 21 - agenda item 11(d) - Carriage of Goods by Sea;
- Attachment 25 - agenda item 11(h) - Publications.

I look forward to seeing you all in London on two weeks' time.

With kind regards
