Dear Stuart:

On behalf of the Standing Committee on Marine Insurance, I write in response to your letter of August 13th. Our SC's plan remains as set forth in my attached email of April 2nd. Specifically:

1. We are working jointly with the IWG's on Unmanned Vessels and Cyber to plan the joint meeting at the IMO on 9 November; and
2. We are working on a paper summarizing the impact of the 2015/2016 reforms to the British Marine Insurance Act of 1906, initially drafted by Rhidian Thomas.

As you know, our SC also plans to meet in the afternoon on 8 November at the offices of Thomas Cooper in London. Please let me know if you require further information or detail.

Best regards,
Joe
