Re: *Domingo Martín López Saavedra*

Dear All,

It is with the greatest of sadness that I have to pass on to you that Domingo Martín López Saavedra passed away on 2 February 2019 in Buenos Aires, Argentina. He was a Titulary Member of the CMI, Vice President of the Argentine Maritime Law Association, past Vice President of the Argentine Insurance Law Association, Consultant to the World Bank in Washington, D.C., as well as a professor of insurance, reinsurance, aviation and maritime law (subjects on which he was widely published).

Many of you who attended CMI events over the years and, in particular, the very successful 2010 Colloquium in Buenos Aires, will recall Domingo's charisma and intellect. He will be greatly missed by all of us.

I have conveyed my heartfelt condolences and those of the CMI to the Argentine Maritime Law Association, and asked for them to be passed on to Domingo's family, including his widow, Marta Sánchez Cané de López Saavedra, their sons, Mariano, Diego and Hernan, three daughters-in-law, and eleven grandchildren.

Yours faithfully,

Christopher O. Davis
