

STATUS OF SIGNATURES, RATIFICATIONS, ACCEPTANCES, APPROVALS, ACCESSIONS, RESERVATIONS AND NOTIFICATIONS OF SUCCESSION WITH REGARD TO MARITIME LAW CONVENTIONS

Since 1951 CMI has published information about the status of maritime law conventions in its CMI Bulletins, and later in its CMI Yearbooks. The information was initially limited to the Brussels' conventions which were the result of the work of CMI itself. But over time information about maritime law conventions produced by IMO and other organizations was also published by CMI. For its information CMI relied on the kind co-operation with the Ministry of Foreign Affairs of Belgium (the depositary of the Brussels' conventions), and the secretariats of the relevant international organizations.

Over the years the Belgian Ministry and the international organizations have proceeded to publish information on the status of conventions on the internet. These internet publications are updated as soon as new information becomes available. Therefore, spending a lot of time on the gathering of the same information for an annual publication in a paper yearbook would now seem to serve a very limited purpose. It was therefore decided to stop publishing the status of conventions in the CMI Yearbook and switch to publication on the CMI website. In order to prevent the unnecessary duplication of information already publicly available (and kept up to date) on the websites of the Belgian Ministry of Foreign Affairs and the international organizations, CMI will now simply provide a list of the relevant maritime law conventions with links to the websites of convention depositaries and international organizations. References to national treaty databases which provide trustworthy information on the status of multilateral conventions are also included.

The conventions are listed under six headings:

- Status of Brussels (CMI) Maritime Law Conventions
- Status of IMO Maritime Law Conventions
- Status of UN and UN/IMO Maritime Law Conventions
- Status of UNESCO Maritime Law Conventions
- Status of UNIDROIT Maritime Law Conventions
- Status of Antarctic Maritime Law Conventions

As was done in the CMI Yearbook the conventions are listed within these categories in chronological order, but keeping protocols to conventions grouped together with the original convention.

It should be noted that the information provided on the websites referred to may vary in detail and accuracy. Just as in the past, CMI cannot guarantee that all the information is complete and correct. In the end it is advisable to contact the official depositary of each convention. Experience has shown that even then the information provided may be subject to debate.
