Dear colleagues.

The purpose of this communication is two fold.

Firstly I would like to share with you the sad news of the passing of Jacques Libouton. Jacques Libouton was a Titulary Member of the CMI and an Administrateur of the Alber Lilar Foundation. He specialised throughout his professional life in Maritime Law and Aviation. He was a highly respected member of the legal profession in Belgium and had many friends internationally particularly among the CMI family.

I have on behalf of the CMI sent condolences to his dear wife Viviane and his children. His funeral was held on the 19th of February.

Next I am attaching hereto a further edition of our exciting Gothenburg colloquium programme. May we please encourage you all, to remind your members to take advantage of the early bird registration. This needs to be done by the 15th March. Early registration not only benefits the registrants but also helps us with assessing numbers.

Your co-operation would be greatly appreciated so please register TODAY!

Best regards

Ann
