Re: *Judicial Sales Instrument - UNCITRAL Working Group VI*

Dear Presidents, Titulary Members and Consultative Members,

I am attaching for your review (and further action) the 8th April 2021 letter from Ann Fenech, and “Vienna Meeting Notes” of even date, which have been prepared for the upcoming 38th Session of UNCITRAL Working Group VI which will take place virtually from Vienna (and not New York City) between 19th and 23rd April 2021.

As noted by Ann in her letter, the Chair of Working Group VI is optimistic a final draft of the instrument will be completed in 2021 with a view to circulating same to governments for comment before submission to UNCITRAL for approval and transmittal to the General Assembly for adoption in the second half of 2022.

The “Vienna Meeting Notes” have been prepared by the Judicial Sales IWG to assist you in liaising with the government representatives of your respective countries ahead of next week’s virtual meeting of UNCITRAL Working Group VI and focus delegates’ attention on some of the more important elements of the draft Instrument.

On behalf of the IWG on Judicial Sales and the Executive Council, we very much appreciate your continued support and work on this important project.

Faithfully yours,

Christopher O. Davis
