Dear Presidents, dear colleagues, dear friends.

Re : ***Mobile Offshore Renewable Units***

There is no doubt that there has been quite a remarkable degree of activity right across all IWG's of the CMI. The IWG on Mobile Offshore Renewable Units is no exception. I would like to thank the Chair of this group Alexander Severance and all the members of this group for their hard work.

I attach hereto 2 documents. The first is a "First Questionnaire" to be filled in by NMLAs. The second is an Annex to the First Questionnaire. This Annex explains the questionnaire and provides some really interesting material regarding mobile offshore renewable units.

The IWG is very keen to proceed with this work in time for our Tokyo conference in May and therefore we have two "asks" as follows:

1. The first is that within 3 weeks from today, each NMLA responds to Alexander Severance and Frank Nolan on alexander.severance@dk.dlapiper.com and frank.nolan1949@gmail.com with the name of that person nominated by your NMLA who could serve as the contact person between the IWG and the respective NMLA.
2. The second is that the questionnaire be filled in and sent to Alexander and Frank by the 15th of December.

Best regards

Yours sincerely
